

A wellness workshop for our healthcare community

Minnesota Cares

# Everyone Has A Story & EVERY Story Matters!

We are looking for the stories of Minnesotans working in the healthcare industry over the past 2.5 years

\*While COVID is the timeline, stories do not need to be solely focused on COVID.

Stories can be tragic, humorous, uplifting, or insightful.

- Tellers (a.k.a. Slammers) would share a 3–5 minute story during our live Story Slam event at the Minnesota Care’s Workshop on **October 7th, 2022**
- Give our audience a glimpse of your world in the hospital, clinic, long-term care, rehab, pre-hospital, ICU, public health, etc, over these past 2.5 years
- You may read or tell your story during the event if you are comfortable doing so
- You’ll be notified by **September 26th, 2022** if your story has been accepted by our planning committee for presentation at the Minnesota Cares Workshop, **October 7th, 2022**
- Interested? Submit your 750 word or less story by **September 17th, 2022** through, [wellnessmn.org/minnesota-cares](https://wellnessmn.org/minnesota-cares)
