

Understanding What Drives Our Team: The Science of Organizational Psychology

With

Hanna Marzinske, MBA
SC/SW RBHC

July 27th 9-10:30am

Join us to:

- **Explore the basics of human motivation and why it matters for leaders to know.**
- **Understand the impact of stress on leaders.**
- **Learn how moral injury impacts motivation and job satisfaction.**
- **Define positive psychology and how it leads to improved quality of life at work, home and in our communities.**
